

REGISTRATION - "KNOW YOUR IET QUIZ"

The Institution of Engineering and Technology (The IET) - www.india.theiet.org and www.theiet.org - is the world's oldest society of Professional Engineers, active in more than 153 countries for the last 152+ years, promoting the cause excellence in engineering to enhance the role of engineering in solving society's most pressing issues. The IET has always focused on preparing young engineers for their roles ahead and helping them to differentiate themselves and stand out. This structured program is overseen and administered by the IETs volunteer network of practitioners and academics as well as young professionals who have recently gone through the transition from students to high value professionals. This ensures robust industry connect, interaction, networking, and strong support as they make their professional engineering journeys. Know your IET is a quiz competition designed to be conducted by an IET Academic Affiliate for the students of the affiliate institution, in conjunction with the IET LN YPs and the Customer engagement team at IET India.

Structure and process:

The event will be conducted at MIT along with a campaign to have student IET membership, addressing its benefits by **Ms. Harshal**, Young Professionals Chairman, IET Bangalore Network.

We will announce the suitable date of the event soon once we receive the registration for the quiz.

The questionnaire will have three sections as given below:

1. Technical Section - topic/technology of relevance and interest of students
2. Generic questions about the IET
3. General Trivia questions

There will be **a prizes** for the winners.
