

MANIPAL INSTITUTE OF TECHNOLOGY

MANIPAL

(A constituent unit of MAHE, Manipal)

December 06, 2023

CIRCULAR

Attention: B Tech/M Tech/MCA students of the institute

As per the decision of MAHE, all the students of the institute who are eligible and have written the end semester examinations of the just concluded ODD semester, are provided with the option of viewing their evaluated answer script before processing and publishing the results.

In view of this, the students are advised to note the following:

1. The answer script view (along with the scheme of evaluation) for the students is facilitated on the institute campus at the designated locations and on specified dates.
2. As per the plan, this option will be made available to the students in two instalments:

a) The first schedule on December 14, 2023:

The evaluated answer scripts of the exams conducted from **November 29, 2023 to December 07, 2023** will be made available for viewing.

b) The second schedule on December 18, 2023:

The answer scripts of the exams conducted from **December 08, 2023 to December 12, 2023** will be made available for viewing.

3. The students who view their answer scripts will be facilitated for giving their feedback on the evaluation.
4. The moderation of first evaluation based on the feedback if any, from the students will be undertaken and the results will be published.
5. **Subsequent to this, there is no provision for revaluation after the publication of results, even for those students who did not utilize the option of answer script view.**
6. **The answer script view provision is an option given to the students but it is not mandatory for them to view their evaluated answer scripts.**
7. The details of designated locations on the campus for viewing evaluated answer scripts and the mode of giving the feedback on evaluation will be communicated soon.
